The director may not increase a fee, or the upper end of the range of a fee, more than fifty percent of that which is in place for the fee or range, unless the authority to set the fee is granted by the council by ordinance. However, for the convenience of parks users and to reduce administrative expenses, an increase in the daily parking fee of no more than fifty percent may be rounded up one time only to the next highest dollar.

L. The director may not increase a fee or the upper end of the range of a fee, within one hundred twenty days of a previous increase to the fee or range, unless the authority for the increase is granted by the council by ordinance.
